

## EOS Tooling Xperience Day

6<sup>th</sup> June 2024 at Innomia a.s. | Czech Republic

# Industrial 3D Printing for Tools and Molds

09:00 - 09:30    Registraion | Networking Coffee

09:30 - 09:45     **Welcome**

09:45 - 10:00     **Overview of Tooling Applications in the Market | Speaker: Nameer Syed, EOS**

10:00 - 10:30     **Plastic Injection Molding Simulation (CADMOULD) | Speaker: Petr Sůva, Plastsim**

10:30 - 11:00     **Metal AM – Performance Enhancement of Plastic Injection Molds | Speaker: Luboš Rozkošný, Innomia**

11:00 - 11:30     **Metal AM in Cutting Tools Optimization | Speaker: Prof. Miroslav Zetek, PhD., University of West Bohemia**

11:30 - 12:30    **Lunch Break + Networking**

12:30 - 13:00    **Die Casting Process Simulation | Speaker: Hynek Purš, Advanced Engineering**

13:00 - 13:30    **Metal AM – Performance Enhancement of Die Casting Tools | Speaker: Luboš Rozkošný, Innomia**

13:30 - 14:00    **AM Customized Machines - Technology Impact on Productivity & Functionality | Speaker: Sina Trik, AMCM**

14:00 - 14:30    **Tooling AM - Technology Deep Dive | Speaker: Patrick Murr, EOS**

14:30 - 15:30     **Facility Tour | Q&A | Networking**

from 16:00    End of Day
